"and...its important that it gets out.....I feel, for some bizarre reason... it might actually change something... if its out in the open it should be a public good... we're human... and we're killing ourselves...and no-one seems to see that...and it bothers me...i care..and god knows what happens now...hopefully worldwide discussion, debates, reforms....."

"...removing the fog of war and revealing the true nature of 21st century asymmetrical warfare."
