American-born Chelsea (formerly Bradley) Manning has Welsh and Irish roots - now jailed for 35 yrs in the US for blowing the whistle on war crimes.

As the Rugby League World Cup gets underway, with USA, Wales and Ireland all represented, join us to 'pack a scrum of solidarity' with Manning and family, raising funds to help with the cost of prison visits.

ALSO

Join us outside the Wales vs USA match in Wrexham Sun 3 Nov. Meet 11.30am for vigil. Social afterwards.
